***Re: Public Records Request received March 22, 2019***

Dear Sarah Hoffman:

This letter further responds to your public records requests received by the Mayor's Office, the Port of San Francisco and the Department of Homelessness and Supportive Housing on March 22, 2019 via email regarding "the proposed Navigation Center at Seawall Lot 330".

**Response Dated April 15, 2019**

All three of the departments subject to your requests previously invoked an extension of time to complete our response for up to 14 days under Government Code § 6253(c) and San Francisco Admin. Code § 67.25(b). Please see attached hereto responsive documents located to date. Due to the volume of potentially responsive documents and the need to coordinate among the various departments as well as with the City Attorney's Office we will continue our production on a rolling basis.

We will endeavor to fully process your request as quickly as possible. If you have any questions regarding your request or would like to send another public records request, please do not hesitate to contact the Mayor's Office at [mayorsunshinerequests@sfgov.org](mailto:mayorsunshinerequests@sfgov.org).

Sincerely,

Hank Heckel  
Compliance Officer  
Office of the Mayor
